Joint Statement of Recognition

Professional Skaters Association and ProSkaters

The Professional Skaters Association and ProSkaters recognize and support each other's role in the development of figure and recreational skating, performing and competing skating professionals.

The Professional Skaters Association is the organization of teaching professionals, which promotes the education and accreditation of figure skating professionals.

ProSkaters is the organization that seeks to explore competition and performance opportunities for its members, promoting professional skating and skaters, working to connect skaters with producers.

Each organization agrees to cooperate with the others to further the growth and success of the ice skating industry, nurture the figure, recreational, professional competitive, and performing skating communities and to promote and encourage the fulfillment of the responsibilities of each organization

The Professional Skaters Association and ProSkaters acknowledge the developing relationship between the organizations working together for the growth and betterment of all aspects of figure skating now and in the future.
